

Established in 1988, Central Florida Wholesale, Inc. has grown to become one of the largest independent retailers of quality tools and related tool accessories in Central Florida. We have thousands of loyal customers throughout the area.

By cutting out the coop middleman and buying our tool inventory directly from the suppliers, we're able to reduce prices greatly and pass along significant savings to our customers. No one sells quality tools at lower prices, and this includes the big box discount stores. You won't find lower prices anywhere on all types of essential tools.

Central Florida Wholesale is family owned and 100% independent. We've been serving the community for three generations. Owners Joe and Joyce Monroe and their staff provide the type of caring, knowledgeable customer service that folks expect and deserve.

We have two locations to serve you. First, we have a 5,000 square foot store on County Road 25 in Belleview, and we also have a huge sales outlet that's open every weekend at Market of Marion.

At Central Florida Wholesale, we sell hundreds of different tools and related accessories for all types of general needs. This includes tools for handymen, home improvement, garden tools, automotive applications and more. We cater to everyone. Weekend warriors and professionals all buy from us. It's simply impossible to list everything we sell here, but we stock just about

everything you can think of including many types of specialty tools and tools that no one else in the area sells – all at unbeatable lower prices.

Central Florida Wholesale can save you time and money. We're the area's affordable "home town" tool store – and invite you to stop by or call us anytime you have a need or question. We welcome your business and thank you for giving us the opportunity to serve you.
